JEWISH FEDERATION OF LANE COUNTY

The Jewish Federation of Lane County (JFLC) connects people, organizations, and resources to strengthen Jewish life at home and around the world. Whether you are new to Lane County or have lived here all your life, the JFLC is your connection to extraordinary services, caring community, and more. Activities and services of the JFLC include:

The Jewish Federation
OF LANE COUNTY

➤ **Social Services:** Works to promote strong and healthy individuals, families, and the Jewish community as a whole, by offering multiple services including: information and referral to community resources and activities, assistance and support during life transitions, advocacy during medical, financial, housing and emotional crises, and financial aid.

Services for seniors include providing referrals to local service organizations, advocating on behalf of individuals when needed, offering special programming and friendly home based and nursing facility visits, and providing information to help guide seniors and their families in choosing appropriate housing options. The JFLC maintains a lending library of durable medical equipment that includes walkers, crutches, bath benches, canes and more. Contact: Lesley Griffel, Social Service Coordinator

➤ **Jewish Community Relations**

Committee (JCRC): Seeks to promote mutual understanding among all groups in the greater community and to advance democratic pluralism, harmonious relationships, and

respect for human dignity and individual rights across religious, racial, and ethnic lines. Supports Israel's right to exist as a Jewish democratic state, and see a just and lasting peace between Palestinians and Israelis as a way to ensure that. We organize and coordinate with local agencies to provide community responses to incidents of anti-Semitism and racism.

JCRC focuses on government relations, Israel advocacy, inter-group relations, and social justice. This has included working with local school districts to provide a calendar of Jewish religious days of observance to use as a reference when scheduling school events.

➤ **PJ Library:** Sends free Jewish themed children's books and music monthly to families with children ages 6 months to 8 years old in Eugene-Springfield, and across the world. To sign up, visit: www.pjlibrary.org. In addition to books and music, the JFLC provides connections for young families in the Eugene-Springfield Jewish community. Throughout the year there are gatherings for special programs where parents

and children can meet new friends, celebrate Jewish holidays and have fun! PJ Library is available to all families with a Jewish connection, and interfaith families are welcome! Contact: Yael Dyckman, PJ Library Coordinator.

➤ **PJ Our Way:** For kids ages 9-12. It is kid-driven--they choose their own books, creating a totally tailored experience based their own interests and reading level. To make the choice easier, the PJ library website includes summaries and author bios, along with ratings, reviews, and video trailers created by members themselves. Kids can also take polls and quizzes, participate in monthly interviews and challenges, post their own reviews, and comment on blog posts.

➤ **Mitzvah Day:** Brings people together from the larger Jewish community to volunteer in the mitzvah of tikkun olam, repairing the world, by supporting various projects around the community. Mitzvah Days are held throughout the year and have helped contribute to local organizations such as the Eugene Masonic Cemetery to landscape in the Jewish section of the cemetery, Head Start of Lane County to provide backpacks
